

GEORGIA SURVIVORS

Georgia SOS Groups

SOS Groups are often run by survivors and held at donated space. The times, days, and locations from time to time may move or change. Before attending a meeting, please call the facilitator and confirm the details. The Facilitators will be glad to know that they can expect you at their upcoming meeting. There is no charge for these meetings. *(no matter where a meeting is held, the main listing of SOS Groups are not faith based or program oriented. The meetings are support for healing for anyone of any belief who has lost a loved one to suicide.)*

These are the groups that are specifically SOS Groups and support survivors of suicide and sometimes-general bereavement as well. There are many other groups in our state that are for general bereavement. You can find many of them on www.gspin.org. But general groups may or may not be as safe of a place as the SOS Groups. Try them and let us know.

If you have a problem reaching any facilitator above, please check on www.gspin.org and click survivor then SOS Groups for up to date info or contact Sheri at georgiasurvivors@gmail.com
